(Lyrics are written by Leroy Hutson)

I don't know what you have got girl, no baby
Or just what keeps you on my mind
I just know that you can do the things you do to me
Each and every single time.
And I'm so in love with you, baby (so in love)
Said I'm so in love with you, baby (so in love)

You just say you need my love girl, na na
And I'll be right there by your side
You don't have to be so particular with me, honey
I'm the one who's beggin' this time
Cuz I'm so in love with you, baby (so in love)
Said I'm so in love with you, baby (so in love)

(Ooo, Ahh)
Tell me can you understand me girl
I don't think you do sometime
I keep tellin you that you're the one
That who's gonna,
Be with me through endless time
Cuz I'm so in love with you, baby
Said I'm so in love with you, baby (so in love)
