As I look at the letter that you wrote to me
It's you that I am thinkin' of
As I read the lines that to me were so sweet
I remember our faded love

I miss you, darlin', more and more every day
As Heaven would miss the stars above
With every heartbeat, I still think of you
And remember our faded love

I think of the past and all the pleasures we had
As I watch the mating of the dove
It was in the springtime that we said goodbye
I remember our faded love

I miss you, darlin', more and more every day
As Heaven would miss the stars above
With every heartbeat, I still think of you
And remember our faded love

I miss you, darlin', more and more every day
As Heaven would miss the stars above
With every heartbeat, I still think of you
And remember our faded love
I'll remember our faded love
