I'm glad to be your fool

Everybody says I'm foolish  
To let you fool me like you do  
But they don't understand that I can't stand  
The thought of losin' you

Oh, if they could see inside of me  
And what my heart goes through  
They'd know I'm happy to be unhappy  
And I'm glad to be your fool

Oh yes, I'm happy to be unhappy  
And I am proud to have no pride  
Yes, I'm happy to be unhappy  
Just so I'm walkin' by your side

Though you don't want me and you taught me  
And laugh at my love like you do  
Yet I'm happy to be unhappy  
And I'm glad to be your fool  
(I'm glad to be your fool)

Oh yes, I'm happy to be unhappy  
And I am proud to have no pride  
Yes, I'm happy to be unhappy  
Just so I'm walkin' by your side

Though you don't want me and you taught me  
And laugh at my love like you do  
Yet I'm happy to be unhappy  
And I'm glad to be your fool  
Yes, I'm happy to be unhappy  
And I'm glad to be your fool
