I was thinkin bout it just the other day
My friends Ive lost along the way
How sometimes Life can be so unpredictable
And if they had to do it all again
Would they do it the same way?
I think my friends would say

Yeah, everythings gonna be alright now
Since youve gone away
Everythings gonna be alright now
Since youve gone away

Sittin in a corner in my favourite cafe
I remember all those games we used to play
I should have known how you really felt
And how youre really seein things
But if I had to do it all again

Would I do it the same way?
I think you know what I'd say

Everythings gonna be alright now
Since youve gone away
Everythings gonna be alright now
Since youve gone away

Now theres only you and me
And every day we got to be free
Yeah, we got to be free

Everythings gonna be alright now
Since youve gone away
Everythings gonna be alright now
Since youve gone away

Everythings gonna be alright now, Oh Yeah
Since youve gone away
Everythings gonna be alright now
Since youve gone away
