Everyday i think about what you did
Living life aint much with all the shit
'cause i'm going insane with all of it
You keep driving me crazy
Always crazy
You're gonna drive me crazy
You're gonna wake up one day dead inside
'cause you're alone not in my life
I think i feel you sometimes
And wanna kill you
You disrespected my pride
How could you do this
All my life has always been like this
Taking shit and i can't deal with this
Selfish bitch that's always full of it
You keep driving me crazy
Always crazy
You're gonna drive me crazy
You're gonna wake up one day dead inside
'cause you're alone not in my life
I think about you sometimes and wanna kill you

You disrespected my pride
How could you do this
I'm going crazy tonight
And i'll blow it away
You want me to be like you
You want me to be like you
I think about you sometimes and wanna kill you
You disrespected my pride
How could you do this
I'm going crazy tonight
And i'll blow it away
I think about you sometimes and wanna kill you
You disrespected my pride
How could you do this
I'm going crazy tonight
And i'll blow it away
