consider this line to be the last time,  
to be the last time consider this  
i'll bet i'll bet you're waiting  
i can't let you, i won't let you  
forget, forget everything  
i won't you i, won't let you  
remember this line "december was mine"  
"december was mine, consider this:  
i'll bet i'll bet you're waiting  
i can't let you, i won't let you  
forget, forget everything  
i won't you i won't let you  
please don't try to i'll see right through  
everything that you did everything that you said
