I never thought I was strong enough
You'll always fear what you've never done
To handle raising my own son
I hope he'll know me when I come home

Nothing's gunna change my love for you
I love my child
I'm so fortunate
He's got his mother's smile
So fortunate
But I will make it right
Life can get tight
I'm so fortunate

So fortunate
Oh... yeah
I had to learn what meant more to me
My family's became everything
I miss you more than you'll ever know
Nothing's gunna change my love for you

I wish that I could just leave, come home
I'm so fortunate
He's got his mother's smile
I love my child
Life can get tight
So fortunate
I'm so fortunate
But I will make it right
So fortunate

I love my child
So fortunate
He's got his mother's smile
Nothing's gunna change my love for you
So fortunate
I'm so fortunate
Life can get tight
But I will make it right
I'm so fortunate
So fortunate

So fortunate
