Reporter #3: [Spoken]

Excuse me, Mr. Sergievsky, why are you leaving  
Russia? What about your wife and family?

Reporters:

How long was this planned?  
What made you defect?  
Did anyone help you?  
And do you expect  
To be joined in your exile  
By loved ones, e.g. your wife?  
Or are you starting again  
In all aspects of life?

Reporter #7: [Spoken]

Will you be defending your title next year in  
Bangkok?

Anatoly: [Spoken]

Walter, you bastard, you never told me you and  
Global would fix all this!

Walter: [Spoken]

Welcome to the West, Anatoly.

Reporter #6: [Spoken]

Why did you leave Russia?

Anatoly: [Spoken]

I don't leave anything!
