Anatoly:  
But why is he really here?  
A whole year of silence,  
And suddenly here he is.

Florence: [Spoken]  
He's working for Global. It's big money.

Anatoly:  
So that's all it is, then?  
He has no desire to see you anymore?

Florence:  
Who cares what he's up to?  
You're not playing him.

Anatoly:  
Oh, no?  
I've a feeling I am.  
[Spoken]  
Why is he here?

Florence:  
Don't talk yourself out of form  
Viigand's the one  
You have to beat.

Anatoly:  
And he's a fine player.

Florence:  
Predictable-- he's a machine.

Anatoly: [Spoken]  
Yes, a very fine machine.

Florence:  
So are you.  
So are we.  
But there is one other thing--

Anatoly: [Spoken]  
What?

Florence:  
I gather Svetlana  
Is planning to come out here.

Anatoly: [Spoken]  
My wife? Come to Bangkok? No.

Florence: [Spoken]  
You must know about it.  
[Sung]  
It's been in the papers--  
They may let her out.

Anatoly:  
This has to be Molokov,  
Right up his street.

Florence:  
So now you've got  
One more opponent to beat.  
Surely you knew.

Anatoly:  
I did not.

Florence:  
Well, this is a problem  
We knew we'd be facing soon.

Anatoly: [Spoken]  
But not now. Not now.
