Florence:

This is an all too familiar scene.

Anatoly:

Life imperceptibly coming between.

Both:

Those whose love is as strong  
As it could or should be.

Florence:

I'd give the world  
To stay just as we are--  
It's better by far

Both:

Not to be too wise  
As we realize  
There was truth  
And there were lies.

Anatoly:

Knowing I want you,  
Knowing I love you,  
Cannot compare to my despair  
Knowing I've lost you.

Florence:

I've been a fool to allow  
Dreams to become  
Great expectations.

Antoly:

How can I love you so much,  
Yet make no move?

Both:

There will be days and nights  
When I'll want you  
More than I'll want to.

Anatoly: Florence:  
More than I More  
Should Than I should  
Oh, how I love you. Oh, I love you.

Both:  
You and I,  
We've seen it all,  
Chasing our hearts' desire,  
But we go on pretending  
Stories like ours  
Have happy endings.

Anatoly:  
You could not give me  
More than you gave me.  
I don't know why  
I'm standing by  
Watching this happen.

Florence:  
I won't look back any more  
And if I do--  
Just for a moment.

Anatoly:  
I can't imagine time  
When I won't care.

Both:  
But here we are today,  
And it's over.  
Hold me and tell me  
We'll meet again--  
One happy moment.

You and I,  
We've seen it all,  
Chasing our hearts' desire,  
But we go on pretending  
Stories like ours  
Have happy endings.
