Florence:

This is an all too familiar scene.

Anatoly:

Life imperceptibly coming between.

Both:

Those whose love is as strong as it could or should be.

Anatoly:

Nothing has altered --

Florence:

-- Yet everything's changed.

Anatoly:

No one stands still --

Both:

Still I love you completely
And hope I always will.
Each day we get through
Means one less mistake
Left for the making.

Anatoly:

And there's no return
As we slowly learn
Of the chances we're taking.

Florence:

I'd give the world
To stay just as we are--
It's better by far
Not to be too wise

Both:

Not to realize
Where there's truth
There will be lies.

Florence:

You and I,
We've seen it all--
Been down this road before,
Yet we go on believing.

Anatoly:
You--

Florence:
You--

Both:
And I,
We've seen it all--
Chasing our hearts' desire,
Yet I still think I'm certain
This time it will be
My happy ending.

Anatoly: [Spoken]
Thank you. It's from Molokov-- You were right.
She's here, landed from Moscow this morning. Bastard.
