Oh no, I never been to L.A.  
I never hung around with so many nuts  
And 'ye said that there'd be drunk and hot girls  
But I'm not tryin to mess with no sluts  
Cause I just need a girl like you  
Who doesn't wanna shop at Dior  
So come inside and lock that hotel door  
I wanna learn a little more  
Oh (oh) this ain't groupie love  
Cuz you mean so much to me  
You're my Bebe Buell  
You're my Puerto Rican Pamela Lee  
And I'm here and I'm now  
And I'm chasing the charts  
I'm tryin to buy myself a house in the hills  
I'm in town  
And you're down  
So let's go  
Now you know that I been locked up in school  
And I been foamin at the mouth for awhile  
And you might be everything that I need

But maybe I just need to get wild  
Cuz all these females, lookin sexy  
Start to make me think like a perv  
And I been waiting so long that it hurts  
I only want what I deserve  
Oh (oh) this ain't groupie love  
Cuz you mean so much to me  
You're my Bebe Buell  
You're my Puerto Rican Pamela Lee  
And I'm here and I'm now  
And I'm chasing the charts  
I'm tryin to buy myself a house in the hills  
I'm in town  
And you're down  
So let's go  
This is my dream  
All I wanted was to be seen  
La la la la - woah oh oh  
La la la la - oh oh  
Feelings are strong  
Let's cut our losses, move it along  
La la la la - woah oh oh  
La la la la - oh oh
