I can't believe I'm going to die one day

Cant believe we'll all be gone

Cant believe that I won't be 25 for much longer now

It's weird this room is going to disappear

And that someone lived here before

It's weird I live in four dimensions but there might be more

but it's all
but it's all

beautiful
beautiful
beautiful

there's nothing left to say

you're beautiful
you're beautiful
there's nothing left to say

may you live in interesting times
may you live in interesting times

[verse 2]

I can't believe this all came from dust
and all of some people I love

can't believe that I might just be projecting a dream
and I hope this finds you when things are good,
and I hope that you're not facing loss,
and I hope,
yea I hope you find someone out there who loves you a lot

but it's all
but it's all

beautiful
beautiful
beautiful

there's nothing else to say

you're beautiful
you're beautiful
there's nothing else to say

may you live in interesting times
may you live in interesting times
