Say other guys ignore you,
Well I call and talk each night
Define it when you want to
You're the only one I like

I'll kiss you when my friends are
'Round me cause you make me proud
I know others passed you by, oh oh
But they were crazy as hell
To ever let you go, didn't they know?

That I won't be just another guy
Disappointment in disguise, who leaves you crying, oh
no
I'm not impervious, not ashamed
And I will play the ancient games it takes to love you
Yes it's true

Won't look at other girls,
Or I swear to God, I'll try
You say let's watch The Notebook
Well I'll try my best to cry

I'll send you flowers just because
Don't need no reason why,
I know others passed you by, oh oh
But they were crazy as hell
To give away what I got, baby you're hot

And I won't be just another guy
Disappointment in disguise, who leaves you crying, oh
no
I'm not impervious, not ashamed
And I will play the ancient games it takes to love you
Yes it's true

Just another guy
I'm not what you deserve
Cause girl you'll never be
Just another girl
