

## Chester French "Starting A Band"

Visit "[Starting A Band](#)" on MotoLyrics.com

This is a band  
We are two mans  
And you must understand  
That we mean fun  
So everyone  
Get up and clap your hands  
Buckle down and feel the seismic shift  
Of the party inside my pants  
Take a glance at your desperate soul  
Lose control and add on my trance  
OH!

[Chorus]

We're here to show you motherfuckers the reason  
We get paid up front in bricks of gold  
So get familiar with the way that this feels  
Open up your mouth and swallow us whole

Bow tie is straight  
Ascot looks great  
Ready to lay some pipe  
On all you cats  
Vermins and rats  
Under my purple lights  
I bet you never felt you might hand clap  
Shake the shoes right off your feet  
We decorate and excavate your house  
Put your family back out on the street  
OH!

[Chorus x2]

We're here to show you motherfuckers the reason  
We get paid up front in bricks of gold  
So get familiar with the way that this feels  
Open up your mouth and swallow us whole

[Solange]

We're here to welcome...  
Pleasure's all mine

But we must warn you...  
Shit could fuck with your mind

We're here to welcome...  
Pleasure's all mine

But we must warn you...  
Shit could fuck with your mind

[Chorus x2]

We're here to show you motherfuckers the reason  
We get paid up front in bricks of gold  
So get familiar with the way that this feels  
Open up your mouth and swallow us whole
