I love your sister
I think she's great
Could you tell her
I'll be over at seven
My car is clean now
I shuffled the papers
Off of the rear seat
And into the visor
I want to show you
A very fine evening
Out on the city
Where the buildings are lit up
We can get ice cream
And mix in the toppings
I'll ask for dollops
Dollops of cool whip
But see girl
I don't want your mind to play anymore

Love your sister
I think she's pretty

Maybe I could

Write her a letter

Maybe we could

Go on vacation

I can be patient

But I'd rather not wait

So see girl

I don't want your mind to play anymore
