I know I'm blinded
Cuz all I do is look through
All the feelings that I have for you,
And if I only knew
That every minute with you
Would be a chance to become close

And when I feel your heartbeat next to me
I know it can't be wrong with you

Chorus

But my friends tell me I love you,
Baby what am I supposed to do?
Believe me, baby when I tell you it's true,
I know I need you,
Cuz every day I'm thinking of you,
Believe me, baby when I tell you it's true

Oh oh oh oh, oh oh oh oh oh oh
Oh oh oh oh

Now I've had time to
To dream of nothing but you,
And a dream is something that just won't do,
How can I make you see
Just believe in me,
Oh boy, trust in love and you can be free

I know, cuz I believe
That you belong to me

Chorus - repeat

Oh oh oh oh, oh oh oh oh oh oh

Bridge

There was a time when I felt
That nothing could come between us,
Now I know, that I need you
For all time

Chorus - repeat 2x

Oh oh oh oh, oh oh oh oh oh oh

Oh oh oh oh - baby when I tell you it's true (2x)
