[Marius goes into the garden, leaving Eponine outside.]

Marius

A heart full of love

A heart full of song

I'm doing everything all wrong

Oh God, for shame

I do not even know your name

Dear Mad'moiselle

Won't you say?

Will you tell?

Cosette

A heart full of love

No fear, no regret

Marius

My name is Marius Pontmercy

Cosette

And mine's Cosette

Marius

Cosette, I don't know what to say

Cosette

Then make no sound

Marius

I am lost

Cosette

I am found!

Marius

A heart full of light

Cosette

A night bright as day

Marius

And you must never go away

Cosette, Cosette

Cosette

This is a chain we'll never break

Marius

Do I dream?

Cosette

I'm awake!

Marius Eponine [outside, interjecting]

A heart full of love He was never mine to lose

Cosette
A heart full of you Why regret what could not be?
Marius
A single look and then I knew. These are words he'll
never say
Cosette
I knew it too. Not to me...
Marius
From today... Not to me...
Cosette
Every day Not for me...
Cosette & Marius
For it isn't a dream His heart full of love
Not a dream He will never
After all! Feel this way...
