Bromance

Bro-o-o-mance

It's like Eminem and Dr. Dre  
If I loved you more I might be gay  
And when I'm feeling down  
You know just what to say  
You're my homey  
Yeah ya know me  
And if you ever need a wingman  
I'd let any girl blow me off  
Cause you're more important than the rest  
I confess I'm a mess  
If I'm not hangin' with my BFF  
You know it's true  
You my male beau  
Now sing the chorus with me  
If you're feeling the same way too

Bromance

Nothing really gay about it  
Not that there's anything wrong with being gay  
Bro-o-o-omance  
Shouldn't be ashamed or hide it  
I love you in the most heterosexual way

Hold me to a promise  
That I'll will be the kind of friend  
That in the end  
Will always keep you company  
Cause when the world gets tough  
And times get hard  
I will always love you  
I'll be your bodyguard  
Cause you're my bestie  
And if you test me  
I'll prove it time and time again  
I got your back until the end  
A brother from another mother  
Never knew how much I loved ya

Till I started singing this song (Huh)

Bromance

Nothing really gay about it

Not that there's anything wrong with being gay

Bro-o-o-omance

Shouldn't be ashamed or hide it

I love you in the most heterosexual way

And now that I've told you how I feel

I hope you feel the same way too

But if you don't

This song was just a joke (Ha ha ha)

But if you do

I love you

Bromance

Nothing really gay about it

Not that there's anything wrong with being gay

Bro-o-o-omance

Shouldn't be ashamed or hide it

I love you in the most heterosexual way

I love you bro
