Flat tire on the side of the road
You're late for work, you forgot your phone
Seems like everything's going wrong
Try your best to keep things cool
With everything going wrong that's hard to do
The list goes on and on and on

When life throws you down (yeah)
Put a little smile on your face.
Life's not all rainy days.
It ain't really that bad
(Yeah yeah yeah)
Wash your troubles away
Take a little moment to say
I'm living the good life

Spilled coffee on your shirt yesterday
In parking lots we call freeways
Ohhhh, I'm living in la
Your mailbox are full of bills
It has it's way to make you feel like
Throwing up your hands!
Screaming out loud!

When you've hit the ground
Put a little smile on your face.

Life's not all rainy days.
It ain't really that bad
(Yeah yeah yeah)
Wash your troubles away
Take a little moment to say
I'm living the good life

Even at your low, someone wishes they were you,
And would trade places in a heartbeat
To taste the life you do.
So when you feel like life's too hard,
You feel like giving up,
Think of everything and everyone that says you're the lucky one.

Put a little smile on your face.
Life's not all rainy days.
It ain't really that bad
(Yeah yeah yeah)

Wash your troubles away
Take a little moment to say
I'm living the good life
(I'm living the good life)
I'm living the good life
(I'm living the good life)
Oh yes I am
I'm living the good life, yea-yeah
