(Yeah)

(Yeah)

One word

One look

One walk on by

Your silence speaks to me tonight  
A question that I know the answer to  
An answer that I need to hear from you  
But I can't take this anymore

[Chorus]

So this is the last time I sing to you  
It's time I be a man  
And I'll face up to the lies  
All the tears in your eyes  
I won't waste the time or the breath on you  
To explain things you think you already knew

(yeah)

So goodbye

(yeah)

Goodbye

Goodbye

One push

One pull

One final break

This foolish heart and your mistakes  
It's hard enough to know the things you did  
It's harder not to let you right back in  
But I've got nothing left to say

[Chorus]

So this is the last time I sing to you  
It's time I be a man  
And I'll face up to the lies  
All the tears in your eyes  
I won't waste the time or the breath on you  
To explain things you think you already knew  
Already knew...

[Chorus]

So this is the last time I sing to you

It's time I be a man

And I'll face up to the lies

All the tears in your eyes

I won't waste a time or the breath on you

To explain things you think you already knew

Already knew..

Goodbye (x9)
