I was scared and unaware of what your touch might do  
I tried to fight it, couldn't hide it, I was falling for you  
But I lose control and I don't know if I can do this  
Because everytime I'm near you  
Well, I just feel so helpless  
I try to leave but something brings me closer to you

I fall in love a little more each day  
'Cause I don't have the strength to stay away so  
Tonight I know, Tonight I know  
Tonight I know,  
I've never been so sure about a single thing before  
Tonight I know  
Tonight I know

I'll be honest, I can't promise that this love won't  
change  
'Cause I can't ignore it, I love you more with every  
single day  
And you should know, That I wont go, I'm here forever

As long as time allows us, We'll always be together  
You're the one and only love I've ever known

I fall in love a little more each day  
And I don't have the strength to stay away so  
Tonight I know, Tonight I know  
Tonight I know,  
I've never been so sure about a single thing before  
Tonight I know  
Tonight I know

Tonight I know, Tonight I know  
Tonight I know,  
I've never been so sure about a single thing before  
Tonight I know, Tonight I know  
Tonight I know,  
I've never been so sure about a single thing before  
Tonight I know  
Tonight I know
