Well
I believe
oh yeah
well
I believe
oh yeah
well
I believe
oh yeah
old man Moses is dead.

Well
I believe
...
Have you heard about old man Mose
oh yeah
oh yeah.
Died in the field where the cotton grows.
Oh yeah
oh yeah.
Well
I believe
yes I do
well
I believe
yes I do
I believe
oh yeah

old man Mose is dead.

Someone said he was 93.
Oh yeah
oh yeah.
They were a much better liar than me
oh yeah
oh yeah.
Well
I believe
yes I do
well
I believe

yes I do

I believe
oh yeah

old man Mose is dead.

Old man Mose
he was a friend of mine.
La la la la la la la.
He kicked the bucket drank too much wine
La la la la la la la.
Old man Mose
he really liked his drink.
La la la la la la la.
Where he is now we don't have to think.
La la la la la la la.

Are you feelin' all right
oh yeah.
Are you feelin' all right
oh yeah.
Are you feelin' all right
oh yeah
oh yeah.
Well I believe
yes I do
well I believe
yes I do
I believe
oh yeah

old man Mose is dead.
