Come and go with me  
to my father's house  
to my father's house.  
Come and go with me  
to my father's house  
to my father's house.

There'll be no cryin' there.  
There'll be no dyin' there.  
Come and go with me  
to my father's house  
to my father's house.

In my father's house.  
There are so many mansions there.  
If they were not true  
you know I would have told you so.  
I'm goin' to prepare a place for you  
and where I go you can go there too.

Come and go with me  
to my father's house  
to my father's house.

Come and go with me  
to my father's house  
to my father's house.  
Come and go with me  
to my father's house  
to my father's house.

There'll be no cryin' there.  
There'll be no dyin' there.  
Come and go with me  
to my father's house  
to my father's house.
