And now I'm all alone again  
Nowhere to turn, no one to go to  
Without a home, without a friend  
Without a face to say hello to  
But now the night is near  
Now I can make-believe he's here...

Sometimes I walk alone at night  
When everybody else is sleeping  
I think of him, and then I'm happy  
With the company I'm keeping  
The city goes to bed  
And I can live inside my head...

On my own  
Pretending he's beside me  
All alone  
I walk with him 'til morning  
Without him  
I feel his arms around me  
And when I lose my way  
I close my eyes  
And he has found me

In the rain  
The pavement shines like silver  
All the lights  
Are misty in the river  
In the darkness  
The trees are full of starlight  
And all I see  
Is him and me  
Forever and forever

And I know  
It's only in my mind  
That I'm talking to myself  
And not to him  
And although  
I know that he is blind  
Still I say  
"There's a way for us!"

I love him  
But when the night is over  
He is gone  
The river's just a river  
Without him  
The world around me changes  
The trees are bare  
And everywhere the streets  
Are full of strangers

I love him  
But everyday I'm learning  
All my life  
I've only been pretending  
Without me  
His world will go on turning  
The world is full of happiness  
That I have never known

I love him  
I love him  
I love him  
But only on my own
