Eponine

And now I'm all alone again nowhere to turn, no one to go to

without a home, without a friend, without a face to say hello to

And now the night is near

Now I can make believe he's here

Sometimes I walk alone at night

When everybody else is sleeping

I think of him and then I'm happy

With the company I'm keeping

The city goes to bed

And I can live inside my head

On my own

Pretending he's beside me

All alone

I walk with him till morning

Without him

I feel his arms around me

And when I lose my way I close my eyes

And he has found me

In the rain the pavement shines like silver

All the lights are misty in the river

In the darkness, the trees are full of starlight

And all I see is him and me forever and forever

And I know it's only in my mind

That I'm talking to myself and not to him

And although I know that he is blind

Still I say, there's a way for us

I love him

But when the night is over

He is gone

The river's just a river

Without him

The world around me changes

The trees are bare and everywhere

The streets are full of strangers

I love him  
But every day I'm learning  
All my life  
I've only been pretending  
Without me  
His world would go on turning  
A world that's full of happiness  
That I have never known

I love him  
I love him  
I love him  
But only on my own
