Enjolras:

Now we pledge ourselves to hold this barricade.

Marius:

Let them come in their legions, and they will be met.

Enjolras:

Have faith in yourselves, and do not be afraid.

Rebel:

Let's give 'em a screwing they'll never forget!

Rebel:

This is where it begins,
and if I should die in the fight to be free,
where the fighting is hardest, there will I be.

Enjolras:

Let them come if they dare, we'll be there!

(Yells):

He's back! It's the volunteer!

Javert:

Listen my friends, I have done what I said,
I have been to their lines, I have counted each man,
I will tell what I can.

Let it be warned they have armies to spare, and our
danger is real.

We will need all our cunning to bring them to heel.

Enjolras:

Have faith, if you know what their movements are we'll
spoil their game.

There are ways that a people can fight.

We shall overcome their power!

Javert:

I have overheard their plans,
There will be no attack tonight.

They intend to starve us out before they start a proper
fight.

Concentrate their force, hit us from the right.

Gavroche:

Liar!

Good evening dear inspector, lovely evenin' my dear.
I know this man, my friends, his name's inspector
Javert.
So don't believe a word he says 'cause none of it's true.
This only goes to show what little people can do.

Rebel:
Bravo little Gavroche, your the top of the class!
So what are we gonna do with this snake in the grass?

Enjolras:
Tie this man, and take him to the tavern in there.
The people will decide your fate, Inspector Javert.

Javert:
Shoot me now, or shoot me later
Every schoolboy to his sport, and death to each and
every traitor,
I renounce your people's court.

Enjolras:
Take this man, bring him through, there is work we
have to do.

Rebel (yells): There's a boy climbing the barricade!
