Valjean:

Now you are here  
Again beside me  
Now I can die in peace  
For now my life is best

Cosette:

You will live,  
Papa you're going to live!  
It's too soon, too soon to say goodbye

Valjean:

Yes Cosette, forbid me now to die  
I'll obey, I will try  
On this page, I write my last confession  
Read it well, for I at last am sleeping  
It's a story of those who always loved you  
Your mother gave her life for you  
then gave you to my keeping

Fantine:

Come with me  
Where chains will never bind you  
All your grief at last at last behind you  
Lord in heaven, look down on him in mercy!

Valjean:

Forgive me all my trustpasses  
and take me to your glory

Eponine & Fantine:

Take my hand, and lead me to salvation  
Take my love, for love is everlasting  
And remember the truth that once was spoken  
(Valjean joins)  
To love another person is to see the face of God!

Chorus:

Do you hear the people sing?  
Lost in the valley of the night  
It is the music of a people who are climbing to the light  
For the wretched of the earth there is a flame that

never dies  
Even the darkest night will end and the sun will rise.  
They will live again in freedom in the garden of the  
Lord  
They will walk behind the ploughshed, they will put away  
the sword.  
The chain will be broken and all men will have their  
reward!  
Will you join in our crusade? Who will be strong and  
stand with me?  
Somewhere beyond the baricade is there a world you  
long to see?  
Do you hear the people sing? Say do you hear the  
distant drums  
It is the future that they bring when tomorrow comes  
Will you join in our crusade? Who will be strong and  
stand with me?  
Somewhere beyond the baricade is there a world you  
long to see?  
Do you hear the people sing? Say do you hear the  
distant drums?  
It is the future that they bring when tomorrow comes!  
(singing chords)  
Tomorrow comes!!!
