How many arms have held you  
And hated to let you go?  
How many, how many, I wonder  
But I really don't want to know

How many lips have kissed you  
And set your soul aglow?  
How many, how many, I wonder  
But I really don't want to know

So always make me wonder  
Always make me guess  
And even if I ask you  
Darlin', don't confess

Just let it remain your secret  
But darling, I love you so  
No wonder, no wonder, I wonder  
Though I really don't want to know
