Hummingbird, hummingbird  
Should be your name  
Too restless to settle  
Too wild to tame

Too restless to settle  
Too wild to tame  
Hummingbird, hummingbird  
Should be your name

Hummingbird, hummingbird  
Winging along  
No tender young blossom  
Can hold you for long

No tender young blossom  
Can hold you for long  
Hummingbird, hummingbird  
Winging along

You'd hug me and kiss me  
Like others I've known  
You'd promise to love me  
And call me your own

And then all of my dreams  
Would be shattered apart  
By the hum hum of  
Your hummingbird heart

Hummingbird, hummingbird  
Feathered so fine  
If I clipped your wings  
It would not make you mine

If I clipped your wings  
It would not make you mine  
Hummingbird, hummingbird  
Feathered so fine

Hummingbird, hummingbird  
Fly right on by

Some folks like to gamble  
But, darling, not I

Some folks like to gamble  
But, darling, not I  
Hummingbird, hummingbird  
Fly right on by

I'd rather be lonely  
I'd rather be blue  
Yes, I'd rather spend my  
Whole life without you

Then feather a nest  
To be shattered apart  
By the hum hum of  
Your hummingbird heart

By the hum hum of  
Your hummingbird heart

Hummingbird heart
