Just put a ring on my finger
Kiss on my cheek
You can bet your life
I'll marry you in the
Best side of the week

Just say you love me
Be faithful and true
And there's nothing
In this great big world
I wouldn't do for you

Now some folks are so bashful
When it comes to making love
Some folks much too forward
And others need a shove

I studied love most carefully
This way, you can't miss
Offer me all your love
A ring and a kiss

Just put a ring on my finger
Kiss on my cheek
You can bet your life
I'll marry you in the
Best side of the week

Just say you love me
Be faithful and true
And there's nothing
In this great big world
I wouldn't do for you

Just put a ring on my finger
Kiss on my cheek
You can bet your life
I'll marry you in the
Best side of the week

Just say you love me
Be faithful and true

And there's nothing
In this great big world
I wouldn't do for you

I wouldn't do for you
There's nothing in
This great big world
I wouldn't do for you
