After you've gone and left me cryin'
After you've gone there's no denyin'
You'll feel blue, you'll feel sad
You'll miss the best friend that you've ever had

There'll come a time, now don't forget it
There'll come a time when you'll regret it
Someday when you are lonely
Your heart will break like mine and you'll want me only
After you've gone, after you've gone away

After you've gone
After you've gone away

After you've gone
After you've gone away
Oh my look what your doing
The way your treating me is going to be your ruin
After you've gone
After your've gone away

Some day when your down hearted
You'll want to be with me right back where we started
After you've gone
After you've gone away
