Do you remember in the fairy tale?
How the wicked witches spell changed the handsome
prince to a toad
Thru the power of her potion she handed him the
notion
That he was lower than the dirt in the road
And thou she left him green and wanted her evil plan
was thwarted
When there chanced to happen by a young miss
Who in spite of his complexion offered her affection
And broke the wicked curse with her kiss

Chorus:

Well if you've never been a frog kissin
Then you don't know what you've been missing
There's a world of opportunity under each and every
log
If you've never been a charm breaker
And if you've never been a handsome prince maker
Just a slow down turn around bend down
And kiss you a frog

Once upon a time ago
I was down and feelin low
Like a lonely frog in a pond
Life was just a joke
And I was very near a crokin
I was zapped by life's wicked wand
Then in the depth's of my depression
There came a true expression
From a love from a lady so sweet
She gave warm fuzzy feelings
Feelings that were healing
And knocked me of my little web feet

Chorus:

There's a happy ever after land
Even in the heart of man
Where a prince or princess abide
But all we get are glimpses

Of the handsome prince or princess
Cause there covered by a green warty hide
And thou there full of life's potential
There lackin one essential
To enable them to shine like a star
And that's to have some guy or misses
Smother them with kisses
And love them while there just like they are

And that's the secret of frog kissin
And you can do it to
If you just listen
Just slow down turn around bend down
And kiss you a frog
