Well I try to make you see
Girl I try to make you understand
Why sould I let it be
YouÂ're my woman babe and iÂ'm your man

And IÂ'm down again
Yes IÂ'm down again
Yes IÂ'm down again
Yes IÂ'm down Â...again

Everything about you drives me nuts
As you can see for yourself
Does she love me, love me not
I think seh does but she wonÂ't tell

And IÂ'm down again
Yes IÂ'm down again
Yes IÂ'm down again
Yes IÂ'm down Â...again

Come on babe, give me one more try
And IÂ'll show you what ItÂ's all about
Well I may be poor and I may be a bum
But IÂ'm a good hearted man
And I can take out your garbage can
Every morning

Did you know our love was meant to be
I saw it written in the sky
If you could only stop yourself for a moment
Then YouÂ'd realise

And IÂ'm down again
Yes IÂ'm down again
Yes IÂ'm down again
Yes IÂ'm down Â...again

And I wonder What is in your head
