My babe always lets  
The good times roll  
Her rockin' life will make her loose control  
One of these days  
She's gonna call my name  
But all her screaming's  
Gonna me in vain

(cause..)

I ain't the one  
To pick you up girl  
Everytime you fall  
I ain't the one  
To clean up your mess  
And be put to the test

(cause you're)

Flying too high  
Put your feet on the ground  
Why d'you move so fast  
Across the floor  
Flyin' to high  
Put your feet on the ground  
Girl you move to fast  
And you make a mess

I'll give you freedom  
If that's what you need  
Let's talk it over  
I'm a reasonable man  
You thrive on sex  
And that's alright  
Just try to remember babe  
I'm your man

(last)

I ain't the one  
To pick you up girl  
Everytime you fall

I ain't the one  
To clean up your mess (shit)  
And be put to the test

(cause you're)

Flyin' to high  
Put your feet on the ground  
Why d'you move so fast  
Across the floor  
Flyin' too high  
Put your feet on the ground  
Move so fast  
You make a mess

Flyin' too high  
Move so fast  
Flyin' too high  
Move so fast

Flyin to high  
Put your feet on the ground  
Why d'you move si fast  
Across the floor

Thank you
