Deep under the sea  
Lies a mystery  
Atlantis town - Atlantis town

A girl will never feel  
Another one like me  
Atlantis town - Atlantis town

In the land of the carbon cell  
Is a place for some other race  
In another time in another land

I remember the time  
I must see people's minds  
Atlantis town - Atlantis town

Well I can't be the one  
Since I've been in exile  
Atlantis town - Atlantis town

Precious land buried in the sand  
The time has come some other race  
In another time in another land

I've never seen the Sun  
I'm always on the run  
Atlantis town - Atlantis town

But now I'm getting old  
I can't be in control  
Atlantis town - Atlantis town

When were we of the potent sea  
Take me back to another place  
In another time in another land

I've never seen the Sun  
I'm always on the run  
I remember the time  
I must see people's minds  
I know there'll never be

But don't be sad for me
