When she came  
Right from the stars  
Looking strange  
in all the way, yeh!

I could see  
to fail the eyes  
Loving too  
Tooking the way, yeh!

She's begun  
To fail to hear one day  
Losing away, yeh!

Don't be sad  
Don't be sad my girl (3)  
'Cose you're mine near the world

She's begun  
To fail to hear one day  
Losing away, yeh!

Don't be sad  
Don't be sad my girl (3)  
'Cose you're mine nice...(3)  
Don't be sad (3)  
Don't be sad my girl
