On until the end of time  
Searching far wide  
Searching far wide  
Everyone of us  
Trying to find a love  
Come with me, your wounds I'll bind  
And my food divide  
Reach out here's my hand  
Now, forever, and  
Always we will stand  
Strong, together, grand  
Don't give up, the road is long  
And it's narrow - carry on!  
Don't give up, the road is long  
But together will be strong  
Let me be your friend, your guide  
Put your fears aside  
All your fears aside  
Everybody must  
Have someone to trust  
So I'll give to you a sign  
Of the love you'll find  
Reach out here's my hand ...  
Don't give up, the road is long ...  
And I look to you so  
Don't turn away  
And when I need you most  
What will you say?
