Times are changing  
Change is a dream  
Dream that comes true  
There's something new  
Hey, hey, synthetic man  
Hey, hey, synthetic man  
No more fightings  
Between countries  
Understanding is  
A reality  
Hey, hey, synthetic man  
Hey, hey, synthetic man  
Future's a game  
Always the same  
Technology  
For everybody  
Hey, hey, synthetic man  
Hey, hey, synthetic man  
Living is so easy  
In a world of blue  
Just enjoy and don't ask me why  
Time is money  
That's the old way  
Today's factory  
Works without me  
Hey, hey, synthetic man  
Hey, hey, synthetic man  
Top of the hill  
Computering  
Keeps answering  
My dearest will  
Hey, hey, synthetic man  
Hey, hey, synthetic man  
Living is so easy  
In a world of blue  
I am not like you  
Tell my why, why, why?

More, more machines  
Manufacturing  
Other engines

Never ending  
Hey, hey, synthetic man  
Hey, hey, synthetic man  
Top of the hill  
Computering  
Keeps answering  
My dearest will  
Hey, hey, synthetic man  
Hey, hey, synthetic man  
More, more machines  
Manufacturing  
Other engines  
Never ending  
Hey, hey, synthetic man  
Hey, hey, synthetic man
