Be beside me at either hand,  
With me wherever I go  
Be before me, behind me stand  
Around, above and below.

Morning rising,  
Moonlight shining,  
Armies fighting,  
Under, under the sun.

Only you in my thoughts I find  
In the very heart of me  
In my soul always on my mind  
Never, never leave.

Morning rising,  
Moonlight shining  
Armies fighting,  
Under, under the sun.  
I can find you everywhere.

All over, everywhere  
All over, everywhere

Morning rising,  
Moonlight shining,  
Armies fighting,  
Under, under the sun.

Be my light whether right so day and night  
And my never changing friend  
My direction, my only way  
Ever to the end.

morning rising, moonlight shining,  
armies fighting, under, under the sun.  
under, under the sun.

all over, everywhere  
all over, everywhere

morning rising, moonlight shining,  
armies fighting, under, under the sun.  
under, under the sun.

all over, everywhere  
all over, everywhere
