Our mission
To seek out and destroy
All we find
Submission
Will not compute
You must stay behind

We have made room in all the galaxies surrounding

You say friend
There is room here for
All to survive
You pretend
That we can live in peace
Side by side

We will take root in all the galaxies surrounding

We are sent to execute the revolution
You all that you talk about is evolution
Ziga Ziga 999 Ziga Ziga 999 9

You you try tell us of the seven wonders
Information will transmit we've got your number
Ziga Ziga 999 Ziga Ziga 999 9

Our mission
To seek out and destroy
All we find
Submission
Will not compute
You must stay behind

We have made room in all the galaxies surrounding

We computed all your please without emotion
And to whom it may concern second the motion
Ziga Ziga 999 Ziga Ziga 999 9

Take away the moon and stars protestation
We will have to mention your retaliation

Ziga Ziga 999 Ziga Ziga 999 9

We have never made as yet any exceptions
But we can assure you of thorough inspection
You say that we operate on bad intentions
But you know the game of war was your invention
Ziga Ziga 999 Ziga Ziga 999 9
