Adsidua Eminentis Fortunae Comes  
Invidia, Invidus

Don't think I haven't noticed  
The way you look at him  
Things you haven't said cut deep  
Even late at night you can't sleep

When you say it's nothing  
You don't look me in the eyes  
What is it you're trying to hide  
Something cannot be denied

This jealousy is killing me  
I can't go on like this  
Oh this jealousy is killing me  
We can't go on like this

Adsidua Eminentis Fortunae Comes  
Invidia, Invidus

Qui Invidet Minor Est  
Parvum Parva Decent  
Qui Invidet Minor Est

Beatius Est Magis  
Dare Quam Accipere

Your imagination is working over time  
I see you giving him your sweet kiss  
Your heart is getting harder  
That affairs

Oh this jealousy is killing me  
I can't go on like this  
Jealousy is killing me  
We can't go on like this

Adsidua Eminentis Fortunae Comes  
Invidia, Invidus

Qui Invidet Minor Est  
Parvum Parva Decent  
Qui Invidet Minor Est

Beatius Est Magis  
Dare Quam Accipere

Beatius Est Magis  
Dare Quam Accipere
