Justitia Omnium Est Domina
Mundus Est Dei, Viva Statua
O Fiat Justitia Et Expetit Mundus
Sine Ira Et Studio. O Gladius

Nolite Judicare Secundum Faciem
Imperat, Imperator Contra Legirupa
Gladiator In Arena Consilium Capit
Barabam Vellere Mortuo Leoni

We are the humans of the world
And we search for humanity
Show us the way where we'll find justice
That's the way we need

Tyrannos, O In Tyrannos. O Aquila
Justitia
Tyrannicida O Aquila
Tyrannicidium

In Die Judicii, In Die Judicii
Levate; Elementum Meum Est Libertas
In Die Judicii, In Die Judicii
Multae Tribulationes Iustorum

Gladius Gladium Acuit
Tyrannicus Contra Gladius
Qui Gladio Ferrit Gladio Perrit
Tyrannicus Contra Gladius

Nulla Poena Sine Lege
Lex Duodecim Tabularum
Imperator. Justitia
Gladiator. Tyrannicida

Tyrannos, O In Tyrannos. O Aquila
Justitia

Tyrannicida O Aquila
Tyrannicidium

Tyrannos, O In Tyrannos. O Aquila
Justitia
Tyrannicida O Aquila
Tyrannicidium

Gladius Gladium Acuit
Tyrannicus Contra Gladius
Qui Gladio Ferrit Gladio Perrit
Tyrannicus Contra Gladius

Nulla Poena Sine Lege
Lex Duodecim Tabularum
Imperator. Justitia
Gladiator. Tyrannicida
