Corpus Anima Deus  
Corpus Anima Deus  
Quo Pacto Istud  
Tecte Diceretur  
Etiam Il Lapidés,  
Etiam Il Lapidés,  
Verum...

[Sprechgesang]

Open Your Soul  
Let The Pain Run Away  
The Prince Of Darkness Crosses Your Way  
The Love Touch  
The Light Of Flowers  
Don't Hide Your Feelings Inside Sad Towers  
Body And Soul  
Like Mother And Father  
A Rolling Stone Far Away From Home  
So We Stay In This World  
Most Time Alone

Open Your Heart  
Find A Way To God  
Don't Let The Way  
Be Covered With Blood  
Look Up To God To His Big Big Sky  
Before You're Born  
You Gonna Die...

Corpus Anima Deus

Corpus Anima Deus  
Quo Pacto Istud  
Tecte Diceretur  
Etiam Il Lapidés,  
Etiam Il Lapidés,  
Verum...

[Sprechgesang]

Open Your Eyes See  
The Light In The Dark  
Loading You Through  
The Night Of Hawk  
And Only Wants To Guide Your Soul  
Not Get A Devil's Goal  
Looking For Love In The Face Of God  
Looking For God In The Face Of Love  
Look Up To God His Big Big Sky  
Before You're Born  
You Gonna Die...

Open Your Mind  
Let The Spirit Run Free  
And Every Day You Can See  
That Father's Arms Are There To Hold You  
And Care And Ever You See The Truth
