Music by: Henning Westland
Latin Lyrics by: Thomas Pflanz
English Lyrics by: Brit Beyer

Proud we're staying
On the stage of life
Don't notice the fruits
Of vanity are right here

They destroy the boards
We're stayin' on while
Our whole life we're playing
A dangerous song

O Unscitia
Est Mater Arrogantiae
Frangit Deus Omne Superbum
O Liberum Ad Arbitrium

God will punish everyone
Who dares rising up upon
All his kind and lovely creatures
Lord's changing all your mind

Sequitur Superbos Noctu
Ultor A Tergo Deus Modo
Totus Mundus Agit Histrionem
O Theatrum Mundi

In Theatro Orbis Noctu
Terrarum Versari Modo
Auri Sacra Fames Theatralis
O Spectaculum

In Extenso In Persona Mago
Servo Teatro

Delo Neapoli Noctu
Charthagine Delphis Mod
Ars Amatoria Ars Antiqua
Ad Arbitrium

The theatre of life
Sets in the right light
The arrogance of a fool
Disgusting beautiful

Nobody wants to care
Of how many pain's there
We are too blind to see
How easy life could be

O Unscitia
Est Mater Arrogantiae
Frangit Deus Omne Superbum
O Liberum Ad Arbitrium

God will punish everyone
Who dares rising up upon
All his kind and lovely creatures
Lord's changing all your mind

Repeat chorus twice

Ars Amatoria Ars Antiqua
Ad Arbitrium

Ars Amatoria Ars Antiqua
Ad Arbitrium
