"In The Still Of The Night"

In the still of the night, as I gaze from my window
At the moon in it's flight, my thoughts all stray to you
In the still of the night, while the world is in slumber
Oh, the times without number, darling when I say to you

Do you love me as I love you
Are you my life to be, my dream come true
Or will this dream of mine fade out of sight?

Like the moon growing dim
On the rim of the hill, in the chill
Still of the night.

Are you my life to be, my dream come true
Or will this dream of mine fade out of sight?

In the chill, still of night
Of night, of night, of night
