To my lullaby surrender  
Warm and tender is my breast  
Mother's arms with love caressing  
Lay their blessing on your rest  
Nothing shall tonight alarm you  
None shall harm you, have no fear  
Lie contented, calmly slumber  
On your mother's breast, my dear

Here tonight I tightly hold you  
And enfold you while you sleep  
Why, I wonder, are you smiling  
Smiling in your slumber deep?  
Are the angels on you smiling  
And beguiling you with charm  
While you also smile, my blossom  
In my bosom soft and warm?

Have no fear now, leaves are knocking  
Gently knocking at our door  
Have no fear now, waves are beating  
Gently beating on the shore  
Sleep, my darling, none shall harm you  
Nor alarm you, never cry  
In my bosom sweetly smiling  
And beguiling those on high  
Sleep my darling, none shall harm you now.
