I may be wrong.
But just as long, as I can have my say.
I won't be true, to only you.
It's gotta' be that way.

While I'm young.
I'll have fun.
There's so much to do.
So don't tie me down .
Don't wait around.
And don't call me, I'll call you.

You seem so sure.
Actin' like your the only boy in town.
But your so wise oh-oh-oh-oh.
There are other guys I'd like be around .

Why should I, date just one guy.
When I-I can date a few.
So just bide your time, wait in line.
And don't call me, I'll call you.

Oh No no no when I'm done.
You will be the one.
I'll come runnin' too.
No I can't tell you when'
But untill then'
Don't call me, I'll call you'

(fading out)
I said no, no, no,
Now when I'm done, when I,m done
You will be the one.
