So this is how it is
This is how it goes, I know
That there's not a single word I can say
You'll go your own way

It's you and you alone
I need to feel you close
To me
I long to hold your face in my hands
The heart is hard to understand

Love is a mystery
The truth of it hard to see
O yeah
I'm counting on destiny
To bring you to your senses
I'm counting on destiny

Come to your senses

Words cannot explain
What it's like without
You here
And the never-ending rain, how it falls
Drowning me, drowning me

Love is a mystery
The truth of it hard to see
O yeah
I'm counting on destiny

To bring you to your senses
I'm counting on destiny

Come to your senses
Come to your senses

'Cause there's nothing I can do
Nothing I can say
To break your defences
Come to your senses

Love is a mystery
The truth of it hard to see
O yeah
I'm counting on destiny
To bring you to your senses

Love is a mystery
The truth of it hard to see
O yeah
I'm counting on destiny
To bring you to your senses

I'm counting on destiny

If this is how it ends, if this is how it goes
I know
