Oh no
It's bad

Got me feeling so weak
When you're holding my hand
You smile, I die
Cause I don't wanna feel what I'm feeling inside
It's too much, it's too late
I'm so into you

I'd be crushed if you walked away
I'd be lost, I'd be drowning in gray
I'd be wounded beyond repair if you weren't there
I'd be crushed

I swore I'd be in control of myself
What have you done with me?
Your lips, my skin
I don't know where you end and where I begin
I hate you, but I love you
So don't ever leave

I'd be crushed if you walked away
I'd be lost, I'd be drowning in gray
I'd be wounded beyond repair if you weren't there
I'd be crushed

You got me falling
And I never wanted to feel like I do
I'm so into you

Oh no
It's bad

Crushed, if you walked away
I'd be lost
I'd be drowning in gray
I'd be wounded beyond repair
If you weren't there

Crushed
I'd be lost

I'd be drowning in gray
I'd be wounded beyond repair
If you weren't there
There

I'd be crushed

Oh no, oh no
